

Fabrics & Finishings 2026/27

Oddajemy w Państwa ręce poszerzony wzornik tkanin. Odświeżona paleta oferty standardowej tworzy nowy nastrój kolorystyczny marki Profim, a pełne karty (producenckie) wybranych tkanin pozwalają na dobór idealnego dla mebla odcienia. Tworzenie harmonijnych wnętrz jest teraz jeszcze łatwiejsze.

We would like to present a book of our extended fabric collection. The refreshed palette of the standard offer creates a new colour concept for the Profim brand and full (fabric producer's) cards of selected fabrics enable the selection of an ideal shade to match the furniture. Creating harmonious interiors is now even easier.

Wir freuen uns unsere erweiterte Stoffkollektion vorstellen zu können. Das Standardangebot wurde überarbeitet und aufgefrischt und durch ausgewählte Stoffe (jeweils gesamte Farbkarte) der Hersteller erweitert. Dadurch lassen sich Räume noch individueller gestalten.
